Estimada Pan American Silver,

Cuando compró la mina Escobal en el año 2019, estaba al tanto que había una intensa oposición local al proyecto y que había habido una represión violenta contra las y los involucrados en la resistencia. Su negativa a detener los programas locales en la población Xinka está fomentando la tensión y la división entre las comunidades. Estas actividades violan la suspensión de la mina ordenada por la corte, socavan la posibilidad de una consulta de buena fe con los Xinka y ponen en riesgo a las y los defensores del territorio Xinka.

¡No más! Hoy le entregamos una petición firmada por líderes y lideresas indígenas como Kukpi7 Judy Wilson y Winona LaDuke, los ex relatores Especiales de la ONU Michel Forst y Victoria Tauli-Corpuz, y los escritores influyentes Noam Chomsky y Naomi Klein, junto con más de 3.900 personas para exigirle que respete el derecho del pueblo Xinka a ser consultado libremente sin violencia ni amenazas, y que cese inmediatamente la injerencia en las comunidades Xinka.

Gracias,

Kukpi7 Judy Wilson, secretaria/tesorera, Unión de Jefes Indios de la Columbia Británica

“La continua violación de los derechos de los Pueblos Indígenas — de hecho, la continuación de los procesos coloniales de despojo violento — no debe tolerarse. Apoyo al pueblo Xinka en su exigencia a Pan American Silver para que deje su interferencia en las comunidades Xinka”.
